Description: Belle has dreamt of adventures like the ones she reads in her books, of traveling the world outside her small town. But when Belle's father is taken prisoner by a beast in an enchanted castle, her path is forever changed. Enjoy this tale as old as time about adventure and love, about looking past first appearances, and about the inner Beauty and Beast...

Review: I said I wouldn't read this until I could see the movie (which would have been when the DVD released because I can't hear) so you can see I just couldn't wait and I'm so glad I didn't!!!! I love Beauty and the Beast in many different books with vast variations each... But this book is now one of my favorites ever I can't wait to see the DVD asap!...
